

Summer University 2024 - Information sheet

The following Summer University programs will be held in the 2023/24 academic year:

- | International Management 'Made in Italy'. Food, Luxury, Fashion and Design;
- | Euro-Mediterranean Trends. Society and Cultures, Politics and Economics;
- | Frontiers in Finance. Cryptocurrencies, Machine Learning and ESG Investing;
- | Digital Platforms. Governance, Regulation and Society;
- | Sport: Management and Law.

1. Submission of Applications for Admission

The application period is not open yet; further information will be shared via email to the interested students and published on Luiss Summer University website.

When submitting the application, students may select the Summer University program for which admission is sought. Should a program not actually go ahead, Luiss University will promptly notify the applicants.

To be ready to apply, students can prepare:

- | currently valid identity document;
- | certificate showing the studies completed to date (updated transcript of records or, if not available, provisional transcript) and associated grades, issued in or translated into English;
- | certificate or self-certification of English language proficiency (at least level B2).

2. Eligibility

Students regularly enrolled in a bachelor's or master's degree program in the 2023/2024 academic year as well as those who already hold a bachelor's or master's degree are eligible for selection in Summer University programs. Those who hold an equivalent university degree from a foreign university are also eligible. Solely applications accompanied by complete documentation will be processed. In the event of any changes requested by the applicant, failure to make changes by the selection process deadline will result in the application being cancelled and not being considered for the purposes of participation in the selection.

4. Organization of Teaching

The educational activities consist of 28 hours of lectures spread over five days. Considering also prior studies and preparation for the final exam, the educational activities entitle participants to 4 university education credits (CFU). Please note that at Luiss University those credits will be recognized for students enrolled in a bachelor's degree or single-cycle master's degree program who have not already earned credits awardable for "other activities" (SJ1).

Classes will be held in-person at Luiss campus in Viale Romania, 32.

Classes will be held on the following dates (TBC):

- I Week 1: 24-28 June 2024;
- I Week 2, for the programs for which a second week is envisaged: 1-5 July 2024.

The class schedule is, as a rule, structured as follows:

- I Monday through Friday, 9 AM to 1 PM and 2 PM. to 6 PM.

Classroom tutors monitor classroom activities on a permanent basis to ensure that students receive ongoing assistance in the specific cases where in-depth study is required.

Attendance for the educational activities of the program is mandatory. Absences of more than 20% of the total number of in-class hours of lectures will result in the inability to obtain the certificate and to be awarded the associated university education credits.

The granting of the certificate is subject to taking a final exam at the end of the program. That exam will be assessed by the relevant program director.
